National Energy Board
517 Tenth Avenue SW
Calgary, Alberta T2R 0A8

Filed Electronically

Attention: Ms. Sheri Young, Secretary of the Board

Dear Ms. Young:

**Re: TransCanada Keystone Pipeline GP Ltd., as general partner on behalf of
TransCanada Keystone Pipeline Limited Partnership (Keystone)
Filing of Keystone Pipeline System NEB Tariff No. 19**

Pursuant to Section 60(1)(a) of the *National Energy Board Act*, Keystone files the enclosed international joint rate tariff (IJT), NEB Tariff No. 19, to be effective on March 15, 2016.

Keystone is adding a toll applicable to Shippers who are transporting volumes to Port Arthur, Texas for volumes Delivered to the new Beaumont interconnect facility. In addition, Keystone is making a change to Note 1) in NEB No. 19 to make the tolls available to all Term Shippers Tendering excess volumes to Port Arthur and not just to Term Shippers with a Contract Delivery Point to Port Arthur, as previously filed.

There are no changes being made to Keystone's rules and regulations as a result of these proposed changes. All tolls remain unchanged.

This IJT is concurrently filed with the Federal Energy Regulatory Commission as FERC No. 7.1.0.

Should the Board require additional information regarding this filing, please contact me by phone at (403) 920-2918 or by email at julie_kemp@transcanada.com.

Yours truly,
**TransCanada Keystone Pipeline GP Ltd.,
as general partner on behalf of TransCanada
Keystone Pipeline Limited Partnership**
